

## REMARKS

Reconsideration and allowance of the subject application are respectfully solicited.

Claims 1, 2, 6, 7, 9, and 10 are pending, with Claims 1, 9, and 10 being independent.

Claim 4, 5, and 69 have been cancelled without prejudice. Claims 1, 9, and 10 have been amended.

Claims 1, 2, 4 through 7, 9, 10, and 69 again were rejected under 35 U.S.C. § 103 over U.S. Patent Nos. 6,209,048 B1 (Wolff) and 6,560,639 B1 (Dan, et al.). All rejections are respectfully traversed.

Claims 1, 9, and 10 variously recite, *inter alia*, designating an image among the plurality of images in the document information displayed by the first display unit (Claim 1) or step (Claims 9 and 10), to be replaced with an image newly stored in the image storage unit, and displaying the designated image in a different manner from non-designated images, in combination with designating a new image among the images displayed by the second display unit (Claim 1) or step (Claims 9 and 10) and displaying the designated image in a different manner from non-designated images displayed by the second display unit (Claim 1) or step (Claims 9 and 10), with substituting as claimed.

However, Applicants respectfully submit that neither Wolff nor Dan, et al., even in the proposed combination, assuming, *arguendo*, that the documents could be combined, discloses or suggests at least the above-discussed combinations of claimed features as recited, *inter alia*, in Claims 1, 9, and 10. Furthermore, Applicants respectfully submit that there has been no showing of any indication of motivation in the cited documents that would lead one having ordinary skill in the art to arrive at the above-discussed combinations of claimed features.

The dependent claims are also submitted to be patentable because they set forth additional aspects of the present invention and are dependent from independent claims discussed above. Therefore, separate and individual consideration of each dependent claim is respectfully requested.

Applicants submit that this application is in condition for allowance, and a Notice of Allowance is respectfully requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,

/Daniel S. Glueck/
